# The Heritage Society... of the De La Salle Christian Brothers

**T**he *Heritage Society* was established to recognize our friends, our “Partners in Mission,” who have established a planned gift with the Brothers to further our shared ministries. A planned gift can be a will bequest or any one of many life income plans, such as a trust or a gift annuity. We are deeply grateful to *The Heritage Society* members for their thoughtfulness, their generosity and their willingness to share in the Mission.

*Heritage Society* members have a special place in the prayers and Masses of the Christian Brothers.

Membership in *The Heritage Society* consists only of those donors who have arranged a planned-giving gift directly with the Christian Brothers of the Midwest Provincial Office. It does not include magnanimous donors such as the Albers Family in Minneapolis/St. Paul or Judge and Mrs. Leonard Pierotti in Memphis. These Partners in Mission who have made donations directly to a particular University, High School or Middle School will be acknowledged in that school's publications.

If you would like more information on joining *The Heritage Society*, please call the Development Office at 630-323-3725 or return the reply card.

# Adopt-A-Student Program

The Christian Brothers Adopt-A-Student Program was begun in 1987 to assist needy students in the Chicago Province. Monies are raised from Foundations, Corporations and Individuals. This grant money is sent to Chicago area Christian Brothers' schools where needy students are awarded scholarship grants that are applied directly to the student's tuition. No administrative costs are deducted from the donor's grant.

Over 2,000 scholarships, ranging in size from \$500.00 to \$2,000.00, have been awarded during the thirteen years of this Adopt-A-Student Program's existence.

Listed below are the Corporations, Foundations and benevolent Individuals who have made grants to the Adopt-A-Student Program. This program was administered by Brother Terence McLaughlin for the past six years. Recently, Brother Kenneth Gillund has been appointed the new Program Director.
