Risk Solutions

Motor Vehicle Record Checks

Christian Brothers Risk Solutions is proud to partner with **Protect My Ministry**, a leading background screening agency that specializes in serving congregational ministries, churches and volunteer-based organizations. Protect My Ministry provides Risk Pooling Trust (RPT) members with an easy, reliable way to run Motor Vehicle Reports (MVRs) on employees and volunteers who drive on behalf of their ministries.

This resource will help organizations strengthen their driver screening process, improve safety, and support responsible risk management practices.

Through this partnership, RPT members have access to this service—**at no cost**.

What's Included

Motor Vehicle Reports (MVRs) verify whether an applicant or volunteer has a valid driver's license and identify any negative driving history—critical information for ministry liability. Reports are easily managed through their client-based web platform.

All background checks follow the requirements of the Fair Credit Reporting Act (FCRA). Turnaround time on submitted requests is typically from the same day to 48 hours.

How to Register

To register, request the special Christian Brothers Services registration link by contacting Jeff Harrison at jeff.harrison@cbservices.org. **Each ministry must register separately through our member only registration link.**

There is a **one-time \$25 registration fee**. RPT members can be reimbursed by emailing their receipt to Jeff Harrison, Director of Risk Control Services.

Protect My Ministry is accredited by the National Association of Professional Background Screeners (NAPBS).

Optional Services (at a cost)

RPT members will also have access to a wide range of optional background screening requests at a cost to the member.

Once your ministry has registered to use the Protect My Ministry's platform, your Senior Risk Management Representative, Marla Wierzel, with Protect My Ministry, will contact you to schedule a meeting to walk you through the platform and answer any questions you may have. Her email address is: marla.wierzel@protectmyministry.com

This free service is another way Christian Brothers Risk Solutions is working to safeguard your people, strengthen your operations, and help secure the ministries entrusted to your care.
