Hearing Aid Discount Program

How Our Program Works

The Hearing Aid Discount Program provided by the Christian Brothers Employee Benefit Trust, offers you and your family significant discounts on today's latest technology, including rechargeable hearing aids and tinnitus options.

Discounts are only available at certified Start Hearing Network locations.

This program is also available to your immediate family, including spouse, parents, and children.

To receive this discount, you must arrange the initial visit through Start Hearing. Self referral is necessary.

Hearing Consultations

Members can arrange for a FREE hearing consultation with a local Start Hearing Network Provider.

During the appointment, a hearing professional will evaluate your frequency-specific hearing sensitivity and determine if hearing correction is needed.

If a hearing loss is present that can benefit from hearing aids, the hearing professional will prescribe the correct hearing aids for your hearing loss. If a medical problem is found, the appropriate medical referral will be made.

If you decide to purchase hearing aids, the discount will be applied at the time of purchase. No prior authorization is required. You pay ONLY the discounted price.

Your Benefits
